

Child Care Resource & Referral Program

“When I started my search for child care I was frustrated. Accessing the CCRR child care referral service was such a relief. Being able to talk to the CCRR staff about finding quality child care, what questions to ask, and then walk away with a list of child care options in my area, specific to my child’s needs. Priceless. I even ended up applying for child care subsidy. Thank you”.
Burnaby Parent

The CCRR Program supports BC families and child care providers with free services. Funded by the Ministry of Children and Family Development we are proud to increase access for families to community services and Government Programs, and increase the quality of child care through training and resource support.

Our 2013-2014 highlights:

31,422 Child Care Subsidy Assistance
56,332 Child Care Referrals
1010 Training Opportunities
17,139 Training Participants
21,557 Resource Library Borrowers
2823 Support Visits to Child Care Programs
49,282 Community Referrals
