

Notice of Change in Extended Hours:

Please note that beginning February 1st of 2013, the CCRR Program will have extended hours only on Thursday evenings when we are hosting a workshop. There will be staff here on those evenings to assist with the library, equipment loan, subsidy assistance and consultations. The office will be open continually for CCRR clients until 8:00 p.m. on those nights.

The workshop/extended hours dates are as follows:

Oct. 17, Oct. 24, Nov. 28 and Dec. 12.

The dates will also be listed in our newsletters www.nscr.bc.ca/childcare/newsletter and on the North Shore Community Resources website www.nscr.bc.ca on the Child Care pages.

This will be a change for our program and we welcome any feedback.

Thank you.
