

BEST PRACTICE RESOURCE SAMPLE - CCRR

RLNR Required 20 Hours of Training

If a prospective registered LNR provider is not going to take a 'recognized' family child care course, then proof of workshops in the following areas must be provided:

- Child Development
- Guiding Children's Behaviour
- Health and Safety
- Programming Children's Activities
- Business Aspects of Child Care

Each of the above workshops must be at least 2 hours in length. Other workshops needed to make a combined total of 20 hours must be related to child care or child development.
