Energy Explorers is a hands-on, thematic program that introduces young children to energy and discovering simple energy-saving actions they can do to help care for the Earth.

The Energy Explorers program is for 3-5 year olds. ECE educators who attend will receive a Certificate of Participation.

Program materials include:

- An **Educator Resource Binder**
- A **Big Book of Energy**
- A **poster** telling the story of where electricity comes from
- Flashcards, buttons, stickers and a puppet
- Take-home activities
